SERVING AMATEUR HOCKEY IN THE LOWER MAINLAND SINCE 1941

P.C.A.H.A. 2009-2010 BULLETIN #9

DATE: August 22, 2009.
TO: The Presidents
PCAHA Member Associations/Leagues
FROM: David Buck
PCAHA President
SUBJECT: Automatic Suspension Rules.

Automatic suspensions apply in the following instances only:

1. **Match Penalties, Gross Misconducts, and Refusing to Start Play** - minimum or indefinite suspensions as specified in the annual BC Hockey Suspension Bulletin.
2. **Game Misconducts in Last 10 Minutes** - HC Rule 4.6(c) - Game Misconduct in the last 10 minutes of regular time - 1 league/playoff game or 7 clear days, whichever comes first.
3. **Instigator/Aggressor in a Fight** - PCAHA Section H(5)(b)(i) - any player assessed the Instigator Minor or the Aggressor Minor in a Fight - 1 league/playoff game or 7 clear days (whichever comes first) for each of these penalties. This suspension is **additive** to any suspension(s) received as a result of the Game Misconduct which accompanies the Fighting Major.
4. **Third or Subsequent Game Misconduct of Season** - PCAHA Section H(5)(b)(ii) - any player incurring his or her third or subsequent Game Misconduct penalty of the current season - 1 league/playoff game or 7 clear days, whichever comes first.
Note: Suspensions to players under Section H(5)(b)(ii) are not additive. A player who incurs his or her third or subsequent Game Misconduct of the current season will incur an automatic suspension of 1 game or 7 clear days for each Game Misconduct penalty he/she is assessed, whether or not the penalty is incurred in the last 10 minutes.
5. **Team Official Suspensions** - PCAHA Section H(4) - any team official who incurs a Game Misconduct (regardless of the time of game) shall be automatically suspended as follows:
 - (i) First occurrence of the current season - one league or playoff game or 7 clear days, whichever comes first;
 - (ii) Second occurrence of the current season - two league or playoff games or 14 clear days, whichever comes first;
 - (iii) Third or subsequent occurrence of the current season - indefinite suspension pending a hearing to be conducted by the Managing Director.

Automatic suspensions take effect immediately and must be served whether or not notification is received. It shall be the responsibility of each team's officials to ensure that correct records of all serious penalties are kept, and that players or team officials serve the required minimum suspensions.

Where a player or team official incurs penalties in a game resulting in more than one suspension, the suspensions shall be served consecutively, beginning with the suspension for the most serious penalty.

A suspended individual may not participate in any exhibition games between the league or playoff games.

PCAHA 2009-2010 Bulletin #9 - Automatic Suspension Rules (cont.)

Games in tournaments sanctioned by BC Hockey and the PCAHA are considered "league" games for the purpose of serving suspensions.

For suspensions in effect prior to the Christmas break or incurred during the Christmas break, the days between the last scheduled league game prior to the Christmas break and the first scheduled league game shall not be included in determining the number of days served.

A player who incurs a suspension while playing for another team under the Affiliate Player, Casual Player, or Goalkeeper Exemption rules must serve the suspension with his/her regular team. (There is an exception to this rule if the penalty is incurred at an out-of-District tournament where the player is travelling with the team. In that case the remaining games in the tournament count against the player's suspension).

Where a suspension occurs after March 1st and the team has insufficient league/playoff or sanctioned tournament games left to clear the suspension, the suspension will be carried over and served after September 15th, at the Managing Director's discretion.

In the case of penalties which under the Hockey Canada playing rules incur an automatic Game Misconduct penalty, for example:

- Fighting (HC Rule 6.7(a))
- Minor or Major for Checking From Behind (HC Rule 6.4(a))
- Two (2) 10-min. Misconducts in one game (HC Rule 4.5(c))
- All 5-min. Major penalties

if the scorekeeper fails to note the Game Misconduct on the scoresheet all suspensions shall apply as if the penalties had been correctly recorded.

Any team permitting a suspended player to play in a game or permitting a suspended team official to participate in a game shall automatically forfeit that game (including loss of Sportsmanship Point) and may be subject to further disciplinary action. A team official or other individual responsible for permitting an ineligible player or team official to participate in any game shall be subject to suspension and/or other disciplinary action.

If there are any questions at any time about suspensions, please contact the respective BC Hockey District Director in the case of Match Penalties and Gross Misconducts or the respective PCAHA Managing Director in the case of Game Misconducts or other penalties.

Yours sincerely,

David Buck
PCAHA President

INSTRUCTION TO TEAM MANAGERS:

1. After each game, check the scoresheet and note all serious penalties.
2. Keep a record of all serious penalties incurred by players and team officials on your team.
3. If a penalty carries with it an automatic Game Misconduct penalty (such as penalties for Fighting or Checking From Behind and all 5-min. Major penalties) and the Game Misconduct has not been correctly listed on the scoresheet by the scorekeeper, all automatic suspensions will still apply.
4. Make sure your players and team officials sit out their suspensions.
5. If there is any doubt about the suspension implications of penalties appearing on the scoresheet, contact your League Manager for clarification. Permitting a suspended player to play in a game or permitting a suspended team official to participate in a game results in ***automatic forfeit*** of the game and may result in other consequences [PCAHA Section C(23)].
