P.C.A.H.A. 2011-2012 BULLETIN #20

DATE: January 11th, 2012
TO: The Presidents,
PCAHA Member Associations/Leagues
FROM: Daryl Bissett
PCAHA Vice-President
SUBJECT: Hosts for PCAHA "Final 4" Championship Playoffs (2011-2012).

=====

Please find attached the approved list of host Associations for the PCAHA "Final 4" championship round-robin playoffs to be held in February-March, 2012. These playoff series involve the final four teams in each "A" playoff grouping, Atom through Juvenile (not including Female).

Host Associations were initially designated based on requests to host received in response to PCAHA Bulletin #13 (October 30, 2011). The remaining playoffs were then assigned to Associations which had not expressed a preference. Please check the division, category, and dates for the playoff that your Association has been awarded/assigned. If you wish to swap division/category with another Association please contact the other Association to arrange the swap and advise me and the respective Managing Director(s) of the outcome as soon as possible.

Please also find enclosed a copy of the Playoff Guidelines - Hosted Round-Robin Playoffs. The following points should be noted:

- Six (6) icetimes are required for each championship series.
- A minimum of three (3) full stop time periods must be provided for each game. When assigning icetimes, sufficient leeway must be built in so that three full periods can be played for all games. Section G(7)-Note (b) [shortened third period] does not apply.
- In Atom, PeeWee, and Bantam, the minimum game format is three 15 minute stop time periods.
- In Midget and Juvenile, the minimum game format is two 15-minute stop time periods plus a 20 minute stop time third period.
- The same period format must be used for all games in the championship series.

Please ask your Ice Scheduler to contact the respective Managing Director with the schedule of icetimes as soon as possible and no later than **February 2, 2012**.

Thank you for your assistance.

Yours sincerely,

Daryl Bissett
PCAHA Vice-President

Where 20-minute period times are proposed, the host Association shall discuss the game format with the Managing Director at least 4 weeks in advance of the start of the series.
