P.C.A.H.A. 2021 - 2022 MEMORANDUM

DATE: October 20, 2021

TO: The Presidents,
PCAHA Member Associations/Leagues

FROM: Rick Grant
PCAHA President

SUBJECT: POST-GAME HANDSHAKE REPLACEMENT FOR 2021-2022 SEASON

=====

With the Covid 19 pandemic number of cases continuing to rise, we are **requiring** that the *bare-hand handshake*, the *glove-on handshake* and the *glove-on fist bump* be replaced with a **Stick Tapping** to the opposing team and to the on-ice officials from your own blueline.

***For example**, the game ends, you leave your bench (when allowed to) and celebrate the team's good game with your goalie. Then move to your blueline and face your opponents, who will be lining up on their blueline, and begin a stick tap. Then face the on-ice officials and repeat. Then proceed to your dressing room (when allowed to).*

We ask all PCAHA Minor Hockey Associations pass this information to their teams, until further notice.

If you any questions please feel free to contact me.

Thank you.
