**Note 2:** In Female Hockey, if a quality-based Placement format is utilized and if an Association has teams in more than one Flight, the Casual Player rule may be applied between Flights. The team in the highest Flight shall draw Casual Players from the team in the next highest Flight, and so on. Where teams from the same Association are participating in the same league or playoff competition, Casual Players shall be eligible to play only for their regular team.

**Note 3:** The Casual Player rule may not be applied between HC-carded teams, and a Casual Player may not be registered with more than one higher category team at a time.

25. A player whose name has appeared on more than five (5) league or playoff game sheets with the higher category team shall be deemed a regular player of that team, shall be ineligible for further competition with the lower category team (unless decarded), and shall not be eligible to become a Casual Player again in the same season. Exception: a goaltender must actually play in more than five (5) league or playoff games to lose his/her eligibility for Casual status.
26. A regular player may be redesignated as a Casual Player, as permitted under Section C(24), above, up to and including January 10th of the season. Following January 10th no new Casual Players may be designated, with the exception of new players joining the Association on or before February 10th, in which case Casual Player designation may be made at the time of carding.

**Note:** Casual Players (CP) shall be clearly designated as such on all gamesheets and team rosters by both teams for which they play.

### **GOALTENDER EXEMPTIONS/INJURED GOALTENDERS:**

**Note:** Section C(27) applies only to non-HC-carded teams. HC-carded teams must follow C(28).

27. (a) No replacement can be made for any ill or injured player in competition within the PCAHA, except the goaltender. A replacement may be permitted for an injured goaltender provided the following conditions are met:
  - (i) the replacement shall come from within the injured goaltender's Association, from a team in the same or lower category within the injured goaltender's division, or from a team in a lower division in the same or lower category;
  - (ii) application in writing, including a doctor's certificate describing the nature of the injury, shall be submitted to the Managing Director; and
  - (iii) the replacement goaltender shall not commence play until notified by the Managing Director that the application has been approved. The Managing Director shall confirm approval, in writing, to the Association President, with a copy to the PCAHA Executive Director.
- (b) The ill or injured goaltender shall return to competition as soon as medical

- evidence indicates that it is in order for him/her to do so.
- (c) The replacement goaltender remains eligible for his/her regular team in the same or lower division or category, regardless of the number of games played, provided that permission was originally obtained.
  - (d) The PCAHA Officers or the Managing Director may attach additional conditions to any injured goaltender arrangement they approve.
28. An injured goaltender situation involving a HC-carded team must be dealt with according to the procedures of HC and BC Hockey.
29. **“C” Goaltender’s Exemption:**
- (a) Where a “C” team has no goaltender for a particular game and all Affiliate goaltenders (per Section C(35)) are not available, application in writing may be made to the responsible “C” Managing Director for permission to utilize a Minor “C” goaltender from the same division within the Association. Such application shall be on Association letterhead signed by the Association President or his/her designate. The emergency replacement goaltender may not commence play until written permission has been obtained from the “C” Managing Director, and may participate only in the designated game(s).
  - (b) Notwithstanding Section C(27) and Section C(29)(a), where there is no team of the same category in the next lower division within the Association and no other “C” team in the same division within the Association, a PeeWee “C”, Bantam “C”, Midget “C” or Juvenile “C” team may apply to the Managing Director for special permission to draw a replacement goaltender from a team not within the same category, in the next lower division within the Association. The application shall be in writing signed by the Association President.

### **AFFILIATE PLAYERS:**

30. An affiliate player is defined as a registered player who is temporarily included on the playing roster of a team in a higher division or category within that Association, as permitted in this Section.
31. **HC-Carded Teams, PeeWee and Above:**
- (a) A HC-carded team may have affiliated with it up to 19 designated (“specially affiliated”) players from HC-carded and non-HC-carded teams in lower divisions or categories within its Association.
  - (b) Associations shall designate up to 19 Affiliated Players for the HC-carded team with the BC Hockey Executive Director (copy to the PCAHA Executive Director). Such designation shall occur prior to the use of any Affiliate Player by the HC-carded team or by January 15th, whichever comes first.
  - (c) If fewer than 19 Affiliated Players have been initially designated, additional players from HC-carded and non-HC-carded teams in lower divisions or categories within the Association may be added up to the maximum 19 players. No change may be made to a HC-carded team’s list of designated Affiliated Players after Midnight, January 15th.
  - (d) A player’s name may only appear on the Affiliate List of one HC-carded team in a higher division/category.
32. **Atom Rep Teams** - The Affiliate Player rule shall not apply to Atom Rep. Atom Rep teams shall not draw Affiliate Players from any lower division.

33. **Non-HC-carded Female Teams** - Non-HC-carded Female teams may draw Female players registered with non-HC-carded team(s) in lower division(s) or category(ies) within their Association as Affiliate Players. Such players shall be subject to the limitations specified in Section C(34).

Where there is more than one Flight in a division and where an Association has non-HC-carded teams in more than one Flight, then the Flights shall be considered categories for purposes of the Affiliate Player rule.

The Affiliate Player rule shall only be applied in situations in which a team (i) has 12 or fewer skaters for a particular game or (ii) has no goaltender available for a particular game.

When the Affiliate Player rule is utilized, a team can only apply for permission to draw Affiliate Players to bring its playing roster for the game in question to a maximum of 13 skaters in the case of skaters or a maximum of 1 goaltender in the case of goaltenders.

No non-HC-carded Female team shall utilize a player from a lower division or category as an Affiliate Player unless permission has first been obtained from the League Manager.

34. **Limitation (PeeWee and above, Atom to PeeWee, and all Female Teams)** - A player of a team of a lower division or category may play as an Affiliate Player (as defined above) for a team or teams of higher divisions and categories at any time, but if the player plays more than five (5) league and/or playoff games after January 10th with a team or teams in any higher divisions or categories, he/she shall not be allowed to compete any further in the division or category for which he/she is registered in the same season. Any violation of this rule shall be reported to the PCAHA Managing Director.

**Note:** Exhibition and/or tournament/jamboree games are excluded from the number of games referred to in Section C(34).

35. **"C" Hockey** - "C" teams may draw Affiliate Players from "C" teams in lower division(s) within the same Association, subject to the following restrictions:

- (a) The Affiliate Player rule shall only be applied in situations in which a team (i) has 12 or fewer skaters for a particular game or (ii) has no goaltender available for a particular game. No player may play as an Affiliate Player unless permission has first been obtained from the League Manager.

When the Affiliate Player rule is utilized, a team can only apply for permission to draw Affiliate Players to bring its playing roster for the game in question to a maximum of 13 skaters in the case of skaters or a maximum of 1 goaltender in the case of goaltenders.

- (b) An Atom "C", PeeWee "C", Bantam "C", or Midget "C" player drawn as an Affiliate Player by team(s) in higher division(s) shall be limited to a total number of games as specified in Section C(34).

- (c) **Hockey 4 to Atom** - Hockey 4 players may only be drawn as Affiliate Players in Atom "C". However, any Hockey 4 player playing as an Affiliate Player in Atom "C" shall be restricted to either:

- (i) a maximum total of 3 league, playoff, tournament/jamboree, or exhibition games, or  
 (ii) if a player has not played any league, playoff, tournament/jamboree, or exhibition games as an Affiliate Player, one (1) complete sanctioned tournament/jamboree.

Any player playing more than this number of games shall be deemed an

ineligible player, and the team officials responsible shall be subject to disciplinary action, except if the Association President has acquired prior approval from the Managing Director to move the player permanently to the Atom "C" team.

No player shall participate as an Affiliate Player unless the conditions in Section C(35)(a) have first been met.

**Note:** If an Association does not have any Hockey 4 teams registered, the Atom "C" team(s) may draw Affiliate Players from Hockey 3.

- (d) **Tyke and Novice** - In the Tyke and Novice divisions, the Affiliate Player rule shall apply as follows:
- (i) Hockey 4 teams shall draw Affiliate Players from Hockey 3 teams within the Association, unless there are no Hockey 3 teams within the Association, in which case Hockey 4 teams may draw Affiliate Players from Hockey 2 teams within the Association.
  - (ii) Hockey 3 teams shall draw Affiliate Players from Hockey 2 teams within the Association.
  - (iii) Hockey 2 teams shall draw Affiliate Players from Hockey 1 teams within the Association or first-year players on other Hockey 2 teams within the Association.

No player shall participate as an Affiliate Player unless the conditions in Section C(35)(a) have first been met.

Any player playing as an Affiliate Player in Tyke and Novice shall be restricted to either:

- (i) a maximum total of three (3) league, tournament/jamboree, and exhibition games as an Affiliate Player, or
- (ii) if a player has not played any league, playoff, tournament/jamboree, or exhibition games as an Affiliate Player, one (1) complete sanctioned tournament/jamboree.

Any player playing more than this number of games shall be deemed an ineligible player and the team officials responsible shall be subject to disciplinary action, except in the case of a player being drawn from Hockey 2 to Novice or from Hockey 3 to Hockey 4 if the Association President has acquired prior approval from the Managing Director to move the player permanently to the higher team.

### **SPECIAL "C" HOCKEY OVERAGE EXEMPTION:**

36. (a) Special permission may be granted for Minor "C" teams to register "C" calibre player(s) of the next age division up in cases where, because of small size or weak ability, a player would be unable to compete in his or her normal age division. Such permission in writing shall be obtained from the responsible "C" Managing Director prior to the registration of the overage player.
- (b) An Association with more than one "C" team utilizing more than one overage player shall distribute those players evenly among all its teams.
- (c) Non-HC-carded Female teams may apply to utilize the overage exemption, subject to the conditions outlined in Section C(36)(a) and (b), above, and subject to the approval of the Female Hockey Committee.

## SECTION D - PLAYER REGISTRATION AND PLAYER MOVEMENT

1. The following regulations shall cover all levels of Minor Hockey (Tyke through Juvenile).

### RESIDENTIAL QUALIFICATION:

2. Except as hereinafter provided, no player shall be registered as a member of a Minor Hockey Association, or compete for a Minor Hockey team in any game, unless the permanent residence of such player's parent (as defined in HC Reg. F.3) is located in the geographic subdivision (as defined below) of the Association with which the player applies for registration.

A geographic subdivision includes a city, a town, a municipality, a police village, a rural area or a zone as established according to Section D(3), below, and approved by BC Hockey.

#### **BC Hockey Reg. 2.03:**

The residence of a player's parent shall be used to determine eligibility for minor hockey aged players (i.e., such residence must be within the boundary of the member minor hockey association). The BC Hockey Executive Committee shall determine a geographic subdivision for each member minor hockey association.

#### **Hockey Canada Reg. F.1-5:**

1. It shall be the obligation/responsibility of all Branches under the authority of Hockey Canada, in their sole and unfettered discretion, to implement residency registration regulations for the formation of teams within their Branch.
2.
  - a) Players must play in the Branch where their parent(s)/court appointed guardian(s) reside.
  - b) Regulation F.2(a) does not apply to players registered in a Residential School (as defined in Regulation A) if they register with one (1) of that Residential School's hockey teams.
3. In reference to F.1, F.2(a) and F.5, residence is established by:
  - a) The parents' usual residence when parents live in the same house, or if one of the parents is deceased, the usual residence of the surviving parent.
  - b) In cases where parents do not live in the same residence, the legal residence is the usual residence of the parent having legal custody of the player;

or,

if both parents have legal custody, the usual residence of the parent with whom the player usually lives;

or again,

if the player lives equally with both parents, his place of residence shall be determined by the Branch.

  - c) When legal custody has been granted to a third person, the usual residence of that person.

NOTE: the term "usual residence" is defined as four (4) out of seven (7) days.

NOTE: In the application of the above, the term "legal custody" and/or "legal guardian" refers to the granting of custody as determined by a Court of Law in one of the following circumstances:

- a) the application of the Divorce Act,
  - b) in the case of an order enforcing or recognizing a legal separation agreement,
  - c) loss of parental authority,
  - d) when it is deemed the child's development is compromised,
  - e) when both (2) parents are deceased,
  - f) married, or the equivalent of married.
4. a) Hockey Canada, in its sole and unfettered discretion under powers vested in it by By-Law Twelve may, on application made by or on behalf of any player, deem such player to be resident in a Branch other than that where his parent is resident and the Hockey Canada's decision in this regard shall be final and binding.
- b) A Branch, in its sole and unfettered discretion under powers vested in By-Law Twelve may, on application to the Branch made by or on behalf of any player, deem such player to be resident in a place within the Branch other than where his parent is resident and the Branch's decision in this regard shall be final and binding.
- c) A Branch, in its sole and unfettered discretion under the powers vested in By-Law Twelve may deem a non-Canadian Citizen to be resident in the Branch provided that the player is in strict accordance with Hockey Canada Regulations F.1, F.2 and F.3.
- d) A Branch may make application to the Hockey Canada Board of Directors or its National Appeals Committee for a non-Canadian player to register within Hockey Canada if they are not in accordance with F.4(c). Hockey Canada in its sole and unfettered discretion under powers vested in it by By-Law Twelve may, on application made by or on behalf of any player by the Branch, deem a non-Canadian Citizen to be resident in that Branch other than where his parent is resident and the Hockey Canada's decision in this regard shall be final and binding.
- (i) Such player, if granted the ability to register in said Branch under F.4(d) would be ineligible to register with any Hockey Canada team in a division and/or category, which could earn the right to participate in a Hockey Canada Minor Hockey National or Regional Championship.
  - (ii) Such player, if granted the ability to register in said Branch under F.4(d), once registered with a hockey team in accordance with F.4(d)(i), is ineligible to participate as an affiliate player with any team, which could earn the right to participate in a Hockey Canada Minor Hockey National or Regional Championship.
  - (iii) Such player, if granted the ability to register in said Branch under F.4(d), may be further restricted by the Branch, by the power vested in By-Law Twelve, to register or participate with any team which may qualify for their provincial championships.
  - (iv) The Division or category that such player may play, if granted the ability to register in said Branch under F.4(d), will be determined by said Branch with the exception of any Hockey Canada team in a Division and/or category, which could earn the right to participate in a Hockey Canada Minor Hockey National or Regional Championship.
- e) Current residential school agreements supersede this regulation.
5. There shall be, however, no residential qualification required for players registered with Senior and Junior teams. Branches are, however, authorized to make restrictions with regard to the residential qualifications required for players registered with Senior and Junior teams under their jurisdiction.

### **ZONE REGULATIONS AND AMENDMENTS:**

3. (a) The geographic subdivision of each Association shall be defined and governed according to the "Zone Regulations" (sometimes known as "Draw Area Rules" or "Draw Zone Regulations") as submitted to and approved by BC Hockey on September 13, 1986, and as subsequently amended.
- (b) Each Association's Zone Regulations shall include a description of the

boundaries of the Association's geographic subdivision (known as the Association's "zone"), plus any special provisions governing administration of the "zone".

- (c) Proposals to amend the Zone Regulations shall be submitted in writing to the PCAHA Office not later than April 1st of each season and shall be dealt with according to By-Law 95. However, no amendment shall be considered unless and until all directly affected Associations are in agreement with the proposed zone boundary change.
- (d) In the case of a new Association being admitted to membership in the PCAHA or of an amalgamation of Associations, the new or amalgamated Association shall submit a letter declaring its zone (geographic subdivision) and stating that it will only register players from within that area. The new or amalgamated Association shall not be permitted to register players or enter teams until the zone has been approved by the PCAHA according to Section D(3)(c), above.

**Note:** If the amalgamation/annexation or admission of the Association occurs after April 1st and prior to the start of the following season, the geographic subdivision shall be submitted for approval to an Extraordinary General Meeting.

- (e) Notwithstanding Section D(3)(c) and D(3)(d), above, no amendment to the Zone Regulations shall take effect until ratified by BC Hockey. Until such time as BC Hockey ratifies an amendment, the existing Zone Regulations shall remain in effect.
- (f) The Zone Regulations shall be appended to these Rules and Regulations.
- (g) In the event that a private club shall amalgamate with another private club pursuant to the provisions of the Society Act, or otherwise merge or cease operating, the private club which remains does not acquire the geographic subdivision of the private club which has ceased to operate unless and until a new geographic subdivision is approved by the PCAHA in accordance with Section D(3)(c) and (d).
- (h) In the circumstances referred to in Section D(3)(g), a player registered with the private club which has ceased to operate must make an election to either:
  - (i) move to another private club; or
  - (ii) move to the Association of the player's place of residence.

#### **PLAYER MOVEMENT:**

- 4. **Player Movement:** No player shall change Association registration except as provided below, and in accordance with the procedure detailed below.

Player movement shall be classified according to the following categories:

- |                                |                             |
|--------------------------------|-----------------------------|
| 1. Residential Move            | 5. No Female HC-Carded Team |
| 2. Returning Home              | 6. Special Player Movement  |
| 3. No "A" Team in the Division | 7. Joint "C" Team           |
| 4. No Female Team              |                             |

- 5. **A Residential Move** can only occur when a player resides with his/her parent and the parent changes his/her permanent place of residence and the player continues to reside with his parent. This shall not be a temporary residence.
- 6. **Grandfather Clause:** All players who were properly registered with an Association as of the 1994-1995 season shall be entitled to remain with that Association and to

compete for that Association in all categories of hockey, regardless of the residence of the players' parents. However, should a player's parents reside outside the zone (geographic subdivision) of the Association, and should that player decide to leave the Association, he/she must "return home" to his/her residential Association.

7. **Continuity of Registration:** Beginning with new registrants as of the 1995-1996 season and all subsequent seasons, a player properly registered with an Association may remain with that Association and compete at all levels, but should the player's parents change their permanent family place of residence such that the player no longer resides within the zone (geographic subdivision) of his/her current Association, such player shall be ineligible to play for that Association beyond the end of the current season. Such player shall move to his/her new residential Association.

Should a player attempting to move as a result of a change of residence under this section be prevented from doing so because of a waiting list in his/her new residential Association, such player or the player's parents shall be permitted to make application to the PCAHA Player Movement Committee to permit the player to remain an additional season at the former Association. However, in such an instance the player shall be eligible to play for a non-HC-carded team only.

Any player who moved to other than his/her residential Association under Section D(9) ("No 'A' team in the Division", below), during the 1993-1994 season or subsequently, shall automatically return to his/her residential Association at the end of the current season.

8. **Returning Home:** A player playing for an Association other than his/her residential Association under any provision of these rules and regulations or who is playing for a private club Minor Hockey Association but does not reside within the private club Association's "defined residential area" who leaves that Association for any reason shall be required to "return home" to his/her residential Association.

**Note:** Where the zones (geographic subdivisions) of two or more Associations coincide, player movement between those Associations may never be classified as "returning home".

9. **No "A" Team in the Division:**
- (a) If an "A" team does not exist in the player's residential Association in the division in which a player is registered, the player will be permitted to apply for a Player Movement to play for an adjacent Association that is entering an "A" team that will accept the player's registration.
  - (b) All players must first register with their residential Association. Should an Association fail to have sufficient players to form a team, it will release the players to adjacent Association(s) that will accept them.
  - (c) Where the zones (geographic subdivisions) of more than one Association coincide and one of those Associations declares "No 'A' Team in the Division", a player who is registered with the Association declaring "No 'A' Team" whose parents reside within the coincidental zone shall first apply for a Player Movement to the other Association within the zone. If his/her registration is refused by that Association, then he/she shall apply to an adjacent Association that is entering an "A" team that will accept him/her. Where both Associations within the coincidental zone have declared "No 'A' Team in the Division", the player shall apply to an adjacent Association outside the zone that is entering an "A" team that will accept him/her.
  - (d) A player who is registered with a private club Minor Hockey Association but

does not reside within the private club Association's "defined residential area" and who leaves that Association as a result of the inability of that Association to register an "A" team in his/her division shall be permitted to return to that Association the following season provided he/she has played continuously at that Association for at least the two (2) previous seasons.

- (e) Should the player be unable to play for the "A" team in an adjacent Association, said player shall return to his/her residential Association to play on their "C" team(s).

**Note 1:** A player permitted to move to an out-of-zone Association under "No 'A' Team in the Division", during the 1993-1994 season or subsequently, shall be permitted to play for that Association for the current season only. The player will be required to register with his/her residential Association prior to the start of the next season.

**Note 2:** If a player playing outside his/her residential Association under Section D(6) or D(7), above, leaves that Association, the player must return to his/her residential Association.

**Note 3:** No "A" Team in the Division shall not apply in the Tyke, Novice, or Atom divisions, as long as the Association offers a program.

**Note 4:** If a player's registration is refused by any intervening Association(s), then letter(s) shall accompany the Application for Player Movement confirming such refusal(s). A form letter may be used for this purpose.

10. **No Female Team:** For the purpose of promoting the growth and development of Female Hockey, a female player shall be permitted, if no Female team exists within the player's residential Association in the player's age division, to apply for a player movement to an adjacent Association that is entering a Female team that will accept her. If no adjacent Association is able to accept her, she must apply for a player movement to play for the nearest Association that is entering a Female team that will accept her.

11. **No HC-Carded Female Team:**

If a HC-carded team does not exist in the player's residential Association in the division in which the player is registered, the player will be permitted to apply for a Player Movement to play for an adjacent Association that is entering a HC-carded Female team.

All players must first register with their residential Association. Should the Association fail to have sufficient players to form a HC-carded Female team, a player who wishes the opportunity to try out for a HC-carded Female team in an adjacent Association that will accept her shall apply to her residential Association for permission to move. If the Association grants the request, then an Application for Player Movement shall be processed according to Section D(15).

If no adjacent Association is able to accept the player's registration, she would apply for a player movement to play for the nearest Association that is entering a HC-carded Female team that will accept her.

Should the player be unable to play for the HC-Carded team(s) in the adjacent or nearest Association, the player shall return to her residential Association to play for a non-HC-carded team.

A player permitted to move to an out-of-zone Association under this section shall be permitted to play for that Association for the current season only. The player will be required to register with her residential Association prior to the start of the next season.

This section only applies in divisions in which HC-carded Female teams are available.

12. **Joint "C" Team:**

- (a) With the objective of facilitating player participation in hockey, two or more Associations may apply for approval to form a Joint "C" Team to permit a player to participate on a "C" team in other than the player's residential Association, in the following situations:
  - (i) There is a waiting list in the player's residential Association;
  - (ii) The Associations each have insufficient players to enter a full "C" team, including formation of non-bodychecking teams; or
  - (iii) Such other reason as approved by the PCAHA Executive Committee and the respective Managing Director(s).
- (b) Joint "C" Team arrangements shall apply in "C" and non-HC-carded Female hockey only.
- (c) A player approved to participate on a Joint "C" Team shall participate for that team only and shall not card/register or Affiliate to any higher division/category team, nor shall he/she practice with any higher division/category team.
- (d) A player approved to participate on a Joint "C" Team shall return to his/her residential Association at the end of the current season or upon termination of the Joint "C" Team, whichever comes first.
- (e) The Application for Player Movement form shall be filed for each player participating in a Joint "C" Team arrangement and the procedures in Section D(15) shall be followed.
- (f) No Joint "C" Team arrangement shall be used to unduly strengthen or weaken any "C" or non-HC-carded Female team, nor shall such an arrangement have the effect of excluding players from participation in hockey. Any violation of this clause shall result in the following action, to be taken by the "C" league's governing committee or Female Hockey Committee, as applicable, in conjunction with the PCAHA Vice-President responsible for the Conference: (i) recommendation to the PCAHA Executive Committee that the Joint "C" Team arrangement be terminated, or (ii) an order to the participating Associations that immediate action be taken to correct the problem.

13. **Special Player Movement:** Where the zones (geographic subdivisions) of two or more Associations coincide, a player whose parent is resident within the coincidental zones shall be permitted a special player movement, subject to any restrictions contained in the Zone Regulations and the procedures outlined below.

14. **Hockey Canada Sports Schools** - Players registering at a Hockey Canada Sports School located within the geographic area of the PCAHA shall be subject to the following:

- (a) A player who last registered with any other Association who is moving to the Sports School shall do so by way of an Application for Player Movement under the Special Player Movement section, above.
- (b) During the period of registration at the Sports School the player shall be eligible to participate in games and practices within the Sports School only.
- (c) If the player decides to leave the Sports School he/she shall move to his/her residential Association by way of an Application for Player Movement under the Returning Home section, above, if the Association is within the PCAHA. **Exception:** If the player was last registered at a private club Minor Hockey Association within the PCAHA, he/she shall have the option to return to that

private club Minor Hockey Association.

- (d) Player Movement procedures, fees, and application deadlines shall apply to moves to and from the Hockey Canada Sports School.
15. **Procedure:** In each instance where it is proposed that a player be registered with an Association other than the one he or she was last registered with (excluding automatic returning home moves under No "A" Team in the Division, Section D(9)-Note 1, and No Female HC-Carded Team, Section D(11)), that player shall comply with the procedure described below:

**Note:** A player returning to Minor Hockey from Junior hockey or Senior Women's hockey, or returning to Minor Hockey after a period of absence, must reregister with the Association with which he or she was last registered and may not register with another Association unless the procedure below is complied with.

- (a) A PCAHA Application for Player Movement form shall be utilized.
- (b) The player and the player's parent(s) shall acknowledge by means of signatures their acceptance of the PCAHA By-Laws, Rules, and Regulations, prior to making an application for player movement.
- (c) The player shall first obtain a release from the Association with which he or she was last registered, where that Association is a member of the PCAHA, as indicated by the signature of any one of the following three Association officers: president, registrar, or vice-president.

The Association President may appoint the Association's Executive Director/Administrator as one of the authorized signatures noted above. This information must be provided to the PCAHA Executive Director, on Association letterhead and signed by the Association President, not later than July 1st each year.

**Note 1:** Such a release shall be effective as of the date the application for player movement is approved by the Player Movement Committee.

**Note 2:** A release granted contrary to Section D of these Rules and Regulations, or to the appropriate Zone Regulations, shall be invalid. An Association granting such a release shall be subject to fine or suspension at the discretion of a majority of the Executive Committee of the Society.

**Note 3:** Any refusal to grant a release may be appealed to the Appeals Committee of BC Hockey.

**Note 4:** Between August 1st and February 10th, the Association shall have seven days from the date of receipt of the release request to grant or refuse the release request. Failure to respond within 7 days without a valid reason shall incur a fine of up to \$500.00.

- (d) The player shall next obtain an indication of the willingness of the proposed new Association to accept him or her, as indicated by the signature of one of the following three Association officers: president, registrar, or vice-president.

The Association President may appoint the Association's Executive Director/Administrator as one of the authorized signatures noted above. This information must be provided to the PCAHA Executive Director, on Association letterhead and signed by the Association President, not later than July 1st each year.

**Note 1:** The signatures referred to in D(15)(c) and D(15)(d) shall appear on the same page.

**Note 2:** An Association indicating willingness to accept a player when the resulting player movement would be contrary to this Section or to the Zone Regulations shall be subject to fine or suspension at the discretion of a majority of the Executive Committee of the Society.

- (e) The completed Application for Player Movement Form shall be submitted to the PCAHA Office and shall be held for consideration by the PCAHA Player Movement Committee. No player movement shall have effect until approved by the Player Movement Committee.

8. In the event that a game is suspended by the referee or not completed for any reason, the Managing Director shall have the option to consider any of the following:

In situations in which the league or playoff schedule has not yet been issued or the dates of the tournament are beyond the end of the current schedule and it is not possible to determine rescheduled game date(s) and time(s), the Managing Director may grant the team permission to enter the tournament on the strict understanding that the team will fulfil any and all league and playoff commitments once the new schedule is issued.

- (c) The team(s) involved shall apply for permission to the Managing Director through the League Manager.
  - (d) Failure to abide by this rule shall result in disciplinary action against the team(s) responsible to include:

**Note:** A player playing temporarily as an Affiliate Player under Section C(35)(c) is not considered to have been moved to the higher division.

A maximum of 3 Novice-aged players may be registered with any one Atom team.

### 3. **Games and Game Limitations:**

- (a) Rostered teams are eligible to play exhibition games and participate in tournaments or jamborees, provided exhibition game number(s) and/or tournament permission is first obtained from the League Manager.   - (h) "Hockey 2" and "Hockey 3" teams shall not be eligible to participate in exhibition games or tournaments/jamborees outside the geographical area of the PCAHA (which shall include USA Hockey based members of the PCAHA), with the exception that Sunshine Coast MHA "Hockey 2" and "Hockey 3" teams shall be permitted to play games versus Powell River MHA.
  - (i) "C" Leagues may adopt additional restrictions on numbers of games or game starting dates.
4. **Playing Rules:**
- (a) In each game, equal ice time shall be given to all players regardless of playing ability.

- TWO MINUTE BUZZER RULE:**

At the expiration of the 2-minute shift, the timekeeper shall sound the horn or buzzer to signal the end of the shift. Play shall be stopped immediately, the players shall change, and the face-off for the successive shift shall be at centre ice.
  - (ii) No substitution of players shall be permitted during the two minute shift with exception of (a) a situation in which a player is injured and cannot continue, and (b) those situations in which the HC playing rules require a team to substitute a player from the bench to maintain the correct number of players on the ice (e.g., coincidental minor penalties).
  - (iii) When a player's penalty overlaps the beginning of a shift, the penalized player must remain in the penalty box for the full penalty time. The penalized team will be allowed to substitute a player from the bench for the penalized player at the end of the shift in which the penalty occurred. The penalized player will be allowed to return to the

players' bench during a stoppage of play after serving his/her full penalty time. If a "power play" goal is scored by the opposing team before the end of the shift while the player's team is playing short-handed as a result of a 2-minute penalty, the penalized player shall return to the ice as permitted by the HC playing rules.

- (iv) Recommended period times under the 2-minute buzzer rule shall be as follows:

<b>Ice time</b>	<b>Warm-up</b>	<b>First</b>	<b>Second</b>	<b>Third</b>
1 hour	5	12	12	16 (or ½ of time left)
1¼ hour	5	14	14	16 (or ½ of time left)

- (d) If a team plays with less than 2 full lines, the "double shifts" shall be rotated equally to all team players.
- (e) The official PCAHA four-page game report shall be used for all games, except that no record of scoring shall be kept in "Hockey 2" and "Hockey 3".

 (ii) In "Hockey 4" the score may be recorded and posted, but if the goal spread exceeds 5 goals no more than a 5 goal spread may be posted on the scoreboard.
- (g) **Goal Limitation Rule:** The following goal limitation rule shall apply to all games played by teams within a "C" League if adopted by the "C" League responsible:

In order to encourage team play and provide an incentive for stronger players to play cooperatively with other players on their line, each player will be limited to scoring a maximum of three goals in any game. Any player scoring 3 goals in a game may no longer score and must pass the puck to team mates to create further goals. Should a player score a 4th or subsequent goal in a game, the goal will be disallowed and a face-off will occur at one of the end zone face-off circles where the disallowed goal occurred. Referees and coaches are mutually responsible for enforcing this rule. Teams may not "mutually agree" to waive this rule.

- (h) It is recommended that Hockey 2 use the two-person officiating system for the six (6) post-Christmas league games.
- (i) Penalties should be assessed and explained according to HC and PCAHA rules. These penalties should be treated as instruction procedure for teaching purposes.
- (j) Coaches shall be directly responsible to ensure that hockey is played for the purpose of instruction on a strictly informal, "fun" basis.
