The 18th Annual Joe Morellato U18 “C” Scholarship Tournament

Three Teams: Coho, Sockeye & Steelhead

Dates: December 9th-11th, 2023

Each year the Presidents League sponsors a tournament designed for the final year U18 players. This season it is for players born in the year 2005. It is open to all players with some exceptions related to serious or excessive penalties. Three players from each of the teams will receive a \$500 bursary to be used towards post-secondary education.

If you would like your son or daughter to participate in this event please fill out the application form and email it back to the PCAHA office by the deadline date listed below. Once all the registrations have been received, the tournament directors will reach out to the coaches of the players for a final evaluation and then the team selection process will proceed based on player positions and also relatively equal representation from all the Presidents League U18 teams.

It is important to note that players are required to be available to play in both of their assigned games which will fall on two of the three dates noted below. If a player is not able to commit to participate in both of their assigned games they will be replaced by a player on the waiting list. No requests for specific playing dates will be accepted.
